

## The Art of Mentoring

Speaker: Tom Pace, Founder and CEO of The World Book Bank

1) Malcolm/ Mentor:

Write about an experience you had meeting a mentor or being a mentor to someone else.

2) Blue Ribbons Story:

How did the Blue Ribbon story affect you, and is there someone you would want to give a Blue Ribbon to?

3) Book Mentor: The Kid & The CEO:

What did you take from the book Mentor: The Kid & The CEO and How can you use this in your everyday life?

4) 5 Priorities

What are your 5 most important priorities?

---

---

---

---

---

Now rate how you are doing on each priority from 1 to 10  
How can you improve each priority by 1 number?

5) How do you get recharged?

What recharges you? Books, Church, Mentor, Videos, Seminars etc.

6) Big Rock Demonstration

How can you prioritize your life to be sure that you have time to make everything fit?

## 7) 3 Point Commitment. No Cussing..No Gossiping..No Complaining

### **3PointCommitment.org**

Change the world by not doing 3 things

#### **No Complaining**

To express feelings of pain, dissatisfaction, or resentment

#### **No Gossiping**

A conversation involving malicious chatter or rumors about other people

#### **No Cussing**

Speaking vulgar, profane words

#### **Here's how the program works:**

Put any wristband on your wrist. Its stays on that wrist until you complain, gossip, or cuss. Move it to your other wrist when you complain, gossip, or cuss and then start your 3 days over. The goal is to keep it on the same wrist for 3 consecutive days by not complaining, gossiping, or cussing.

## 8) Backward Bicycle Demonstration: The power of habits. What did you learn?

9) Forgiveness: The story about Michael:  
Who do you need to forgive?

10) Bent Nickel Demonstration:  
How can you straighten the bent nickels in your life?  
What hurt can you use to help someone?

11)The More I Give The More I Live...  
How have you given?

12)What is your story?

13) Who do you help? Who helps you?

14) Law of Compounding:

If you start with \$1,000 and invest it at 20% = \$200 Return

\$1,000

+\$200 1 year

\$1,200

+\$240 2 years

\$1,440

+\$288 3 years

\$1,728

+\$345 4 years

\$2,073 This Doubles

\$4,146	Year 8
\$8,292	Year 12
\$16,584	Year 16
\$33,168	Year 20
\$66,336	Year 24
\$132,672	Year 28
\$265,344	Year 32
\$530,688	Year 36
\$1,061,376	Year 40

Now if you started with \$10,000 at the age of 18 instead of \$1,000 By the age of 68 your net worth would be \$10,613,760
